3 July 2020

Dear Parents/ Carers

## School re-opening in September

Yesterday the Government issued its guidance for the full re-opening of schools in September. It is their plan that all pupils, in all year groups, will return to school full-time from the beginning of the autumn term. Accordingly, we are now in the process of using this guidance to prepare for our full re-opening as from September 8<sup>th</sup>.

Whilst school will be fully re-opening, it will still not be exactly as normal. There will continue to be a range of protective measures to prevent the spread of coronavirus which will include hygiene measures as well as measures to limit the number of pupils and staff in contact with each other. Details of these are being worked out over the next week and we will write to you once our plans are in place to explain what those measures are.

We are really pleased that we are able to look forward to inviting all our pupils back. We have missed them and are acutely aware of how distressing it has become for many children who have not been able to return. Please do not worry about any pupils 'being behind' – we will be looking very carefully at our curriculum and provision, to enable our young friends to feel secure, to have a smooth transition back into school and to address gaps in learning.

I would like to say a big thank you to all our parents and carers who have worked so supportively with us since March through very testing times. You have made an extremely challenging situation, manageable and helped keep our own spirits up with your kind words. Thank you.

Yours faithfully

Mr Sean Smith  
Headteacher
