# Sports Roundup

15th July 2019

Willerby Carr Lane Primary School Sports Roundup

## Sports Superstars

**This year has been one of our most successful sporting years yet. We have reached finals in a number of events and been crowned champions in a few.**

### Football

Our year 4/5 mixed squad have continued in their league, winning games against Westfield, All Saints and Hallgate. The league culminated in a finals night on 11<sup>th</sup> July where the cup winners were decided on the result of the final game. Sadly, we lost this game 2-1, finishing third overall in the league. However, it was a huge effort from the whole of our squad and we are looking forward to being involved in the leagues again next year.

Our year 4 girls' squad played a friendly against Westfield, playing really well in their first game together. Well done girls – there will be a league for you next year too.

Year 4/5 Mixed Football

### Rugby

In early June, we took a squad to the East Riding competition at Hullensians. The team, most of whom who had never competed at rugby for school before, played brilliantly together, winning 2 games, drawing 2 and losing 2. They finished half-way down the table, a very respectable position for inexperienced players.

### Orienteering

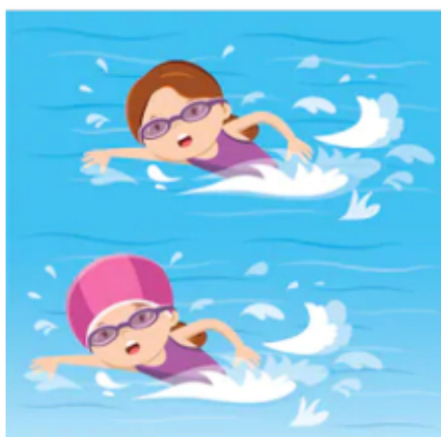

40 children from year 5 and 6 competed in the annual cluster competition held at Costello. 6 children from our year 6 squad won the team event, with **Callum and Harrison winning the whole thing**. They qualified for the East Riding final, along with Poppy and Scarlet from year 5. ON a very wet evening in June, they completed at Cottingham High School in this final. Harry and Josh came third overall, but the year 6 team were 2<sup>nd</sup>, all progressing to the Humber Games final at Hymers. Coming up against the best in the county, we struggled, particularly when each of our pairs could not find one of the controls. However, I was proud of the way they all looked at how they could have done better. Well done.

## Biathlon

Over 50 children from year 4, 5 and 6 took part in our cluster's biathlon competition, swimming at Haltemprice then running at Kirkella St Andrews. 24 children qualified for the final at Driffield. Callum won the boys' race, helping his team to win the team event too. The year 4 girls also won their team event. Well done to all who took part.

At the final in Driffield, there were some good individual efforts and Emilia won a medal for 5<sup>th</sup> place. Our year 4 boys' squad won a silver team medal and our year 6 boys won gold. Brilliant swimming and running on another very warm day!

### Triathlon

In May, the whole of year 6 enjoyed an exciting morning at Hymers, Taking part in a mini triathlon. They swam 50m, cycled 100m and ran 400m, using 'proper' transitions, which meant they completed the cycle and run sections wet! It was a super morning and gave a good idea of what is involved in the sport.

### Cricket

Our year 5/6 squad played in a competition at Wolfreton in early June, against All Saints and Kirkella. **We won both our games, winning a place at the East Riding Final.** On 21<sup>st</sup> June, the final was held at Beverley Cricket Club. Our squad worked well as a team, winning 2 of their games and finding themselves in the second finals pool. We lost our final pool game against an excellent side, but scored many runs and bowled consistently.

Well done boys.

## Athletics

On Wednesday 3<sup>rd</sup> July, 50 children from across KS2 competed at the annual Haltemprice Sports Competition at Costello Stadium. They took part in sprints and longer distance runs, throwing events and long jump. In total, **23 of our 40 participants, won either first, second or third** in their event. They have been invited to the award ceremony on Monday 15<sup>th</sup> July.

## Park Run

Well done to all the children and parents who took part in the Junior park run at Peter Pan Park on 16<sup>th</sup> June. It is a lovely event, very well-organised and caters for a range of abilities. We raised £140 for the Stephen Hughes Foundation.

If you have never taken part in a Park Run, I would advise you to give it a go! All the details can be found at <https://www.parkrun.org.uk/peterpan-juniors/>

## Netball

Our year 6 netball squad has also had an awesome year. **They won every single game in their hi-5 league**, winning a place at the Humber Games final. Although they lost one of their games at the finals event, they won the league on points. They have played brilliantly as a team and deserve every success they have achieved.

## Rounders

The East Riding final was held at Cottingham High School on 18<sup>th</sup> June. Cluster finalists from across the county met and all played each other. Having won almost all our games, we were **crowned champions** – the first time we had reached this level of the competition.

**Thank you as always to all the staff  
who organise, coach and support  
our young sportsmen and  
sportswomen!**

## Awards Ceremonies

We are very lucky this year to have been nominated for a number of awards. We are the **Humber winners of the PE inclusion award**, due to the **range of sports clubs we offer during lunchtimes**. This includes training sessions for our various teams, but also includes sessions such as Marathon Club where all children, of every ability, or encouraged to run as far as they can around the field. Some children actually complete and marathon over a period of 6 weeks.

We also had a number of children who won awards from our School Sports Partnership. Notable achievements were first place in the Inclusion category, again for our marathon club. We also won first place in the Team category for our girls' football team – who are this year's county champions.

With best wishes from

Mrs  
Brothwell  
and the  
whole staff  
team.
