Willerby Carr Lane Primary School Newsletter

## Fabulous Football Successes for All of Our Teams

Our football teams have got off to a great start in their league and cup competitions.

- 23 Sept, Year 6 mixed won away at Acre Heads 6-0 and 4-0
- 30 Sept, Year 4/5 mixed played Acre Heads and drew 2-2 and won 3-2
- 7 Oct, Year 6 mixed won away against Penshurst 2-1 and 3-0
- 8 Oct, Cluster Tournament at Wolfreton - won the qualifying rounds and semi's and beat Kirk Ella in the final 3-2 on penalties. Going through to the regional heats.
- 9 Oct, Year 4/5/6 girls team (pictured above) won away at All Saints 9-1 and 6-0

## A Great Start to the Year !

The weeks are flying by! It has been really pleasing to see the children settle back in to school so quickly—having fun and working hard. And our new EYFS children seem to have handled their start to 'big school' particularly well and are full of smiles, interest and curiosity as they start to get to grips with their phonics and numbers. We are looking forward to a fantastic year.

## Parents' Evening Week

Parents' evenings will be held during the week commencing 21st October. These will provide a good opportunity to see how your child has settled in after seven weeks in school and to check their progress.

As always, if you have any issues, please do not wait until parents' evenings—please drop in to see your child's class teacher at the end of the school day (please try to avoid Mondays—it is our staff meeting day.)

## Curriculum Review

As part of our School Improvement Plans for 2019-20, the staff will be reviewing the detailed content of each subject taught. At primary school we teach a lot of subjects outside of Maths and English. The National Curriculum includes, Science, Art and Design, Computing, Design and Technology, Geography, History, Languages, Music and PE. We also cover PSHCE and RE. Over the course of this year the teachers will be conducting a detailed review of the knowledge and skills that we teach to each year group in each subject. As your child progresses through school, the curriculum builds progressively so that they can build on the knowledge and skills learnt in preceding years and develop and extend their subject specific vocabulary in the process.

At Willerby Carr Lane Primary, we have always prioritised a rich, creative, broad and balanced education. As can be evidenced most recently by our Music Mark Award.

It is 'music to our ears' that OFSTED are now widening their own focus which had become very narrowly focussed on Maths and English, to evaluate the quality of education across the wider curriculum.

*Encouraging Scientific Curiosity is just one area of the curriculum where we aim for the highest standards.*

*Do materials look different under a microscope?*

*How many teeth do you have? Are they all the same?*

## Music Mark Award

In September, we were pleased to receive the Music Mark Award for the second year running.

The award is in recognition for the standards of music teaching within the school.

In granting us the award, the UK Association for Music Education commented:

*“We would firstly like to thank you for all the hard work you and your colleagues do to ensure that pupils at your school are able to access and engage with a high-quality music education. Your dedication to offering and delivering a broad and balanced curriculum is both welcomed and celebrated.*

*You have been nominated, and supported financially by the East Riding Music Hub. They have recognised the value that you place on music and requested that you become a Music Mark School Member.*

*Music Mark works to enable our members, and the wider music education sector, to deliver high-quality musical and social outcomes for all children and young people. Our thanks for all that you are doing and will continue to do to support our collective vision.”*

## Kirima Primary School

We were very pleased to welcome Hamlet back to school and to present him with a cheque for £2069.85.

This was an amazing total, raised by all our pupils in last Summer's annual 'Walk for Kirima'.

He told us all about how the money will be used to buy computers for their library that has just been built.

During his visit children learned more about daily life in Kirima: what a school day is like; how assembly is different to our assembly; their love of football; the dormitories for children who live too far to walk every day; what shops are like and their continual need to fetch water at home.

Mrs Turnbull, our link teacher for the Kirima Partnership, will be planning more activities with our partner school through the year.

**Kirima Primary School — Successful School Football Team**

**Children look after their younger brothers and sisters**

**Most of the children live at the school because their homes are too far away**

**Children as young as 6 sleep in DORMITORIES at the school**

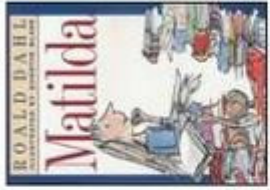

# Top 100 Books : Challenge: 1 – 32

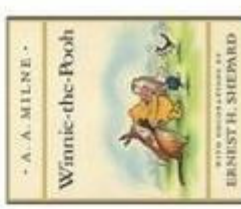

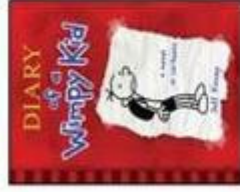

The TES published a list of the 100 books you should read before leaving primary school. How many of these books have you read already? The books you have read tick, your challenge is to read as many as you can over your school year. You can then tick the books that you have read or give a rating out of 10, it is up to you. Enjoy your challenge and keep reading.

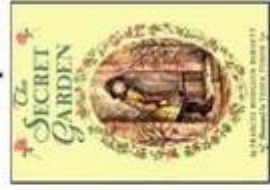

Top 100 Books : Challenge: 33 - 72

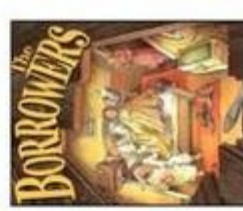

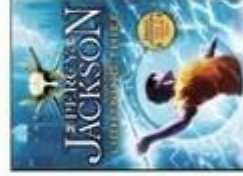

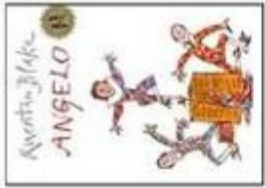

# Top 100 Books : Challenge: 73 – 100

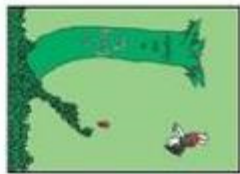

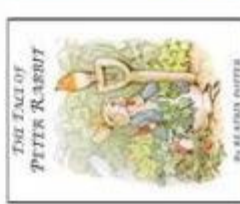

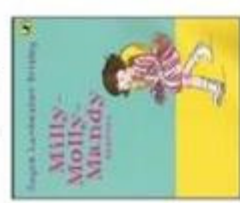

Is there a book that you have read that you would add to this list?  
Tell us about it below:

Which has been your favourite book or books from this list? Tell us your reasons below:

## Healthy Packed Lunches

We believe it is important that the young children in our care eat healthily. In the science curriculum, pupils are made aware of the benefits of healthy eating and the risks of a poor diet. In PSHCE we learn how to keep both our bodies and minds healthy.

Our hot school meals are prepared following national guidance on nutrition and provide a balanced diet. When children bring in their own packed lunch from home, we also ask that it be healthy, nutritious and well-balanced.

We recommend that a balanced packed lunch should contain

- starchy food (e.g. bread, bagal, wrap, pitta or pasta)
- protein foods (e.g. meat, fish, eggs beans)
- a dairy item (e.g. cheese or yoghurt)
- vegetables or salad
- a portion of fruit
- a drink such as water or fruit juice

**The lunch box may also contain ONE of the following** for that extra energy boost:

- Small packet of crisps
- Sweet option – small piece

of cake, biscuit or cookie.

There should be no sweets or chocolate or fizzy drinks in school and, as I'm sure you'll understand, should they come into school, they will be confiscated and returned to parents at the end of the day.

## Missing Scooter Appeal

Has anyone picked up the wrong scooter?? This one has been left at school, while a child is missing a very similar one. If you think you might have picked up the wrong one by mistake, can you please let the office know and we will help get the right one back to the right child! Thank you.
