Golden Apple Awards 2020: The Hull and East Yorkshire education heroes are crowned

The great and the good of Hull and East Yorkshire's classrooms have been celebrated at a glittering awards ceremony at the KCOM Stadium.

most importantly, celebrate the 2019 winners.

The Golden Apples was once again hosted by popular BBC weather presenter Keeley Donovan, who was joined on stage by guest speakers Martin Stead, managing director of Sewell, and Danny Johnson, head coach at Hull City Ladies.

Willerby Carr Lane had been

impressed by Willerby Carr Lane's Marathon Club which "has been transformative for the school and its pupils and drives a real sense of achievement through its physical activity provision.

While running is not essential, the chance to get active has been grasped by pupils who have also buddied up with children of other ages.

Incredibly, 35 children even completed a half marathon,

The shining stars of education met up at the home of Hull City and Hull FC for the sixth annual Golden Apple education awards.

Once again, the ceremony was brilliantly supported by its fantastic sponsors, including lead sponsor Sewell Facilities Management.

Nominees for the 10 categories were invited to the award ceremony where they enjoyed a slap-up meal, Christmas quiz and to,

nominated and we were very excited to attend. We were happy to be in the final, win or lose. You can only imagine our excitement when the nominations were read out and the winner announced...

Willerby Carr Lane Primary School !!!

The judges were incredibly

with dozens more taking part in 10 and 5Ks – an amazing total of 1,403 miles."

The judges praised the school's unique approach to encouraging exercise and are in awe of how it has nurtured competitive spirit!

Well done to all our staff and governors who are involved in developing our PE and sport at WCLPS and, in particular, to Mr Scott for his championing of the Marathon Club. Great team work!

Silver Medallists in the Humberside Football Cup.

Our girls' football team performed brilliantly to reach the final of the Humberside Football Cup.

They won their league and then their semi-final, before losing in the final.

“Our girls, played brilliantly individually and worked exceptionally well as a team,” Mr Clark says.

“They are a joy to watch. They play for each other and they never stop trying. They run and run and run. Even when they go behind, their attitude doesn't change, they keep

their heads up and they keep giving it their all, right up to the final whistle.”

They are certainly a fantastic sporting example to the rest of us.

Congratulations must go to the overall winners, Swanland, who were well deserved winners.

Naughty elves have been spotted all over school getting up to all sorts of mischief !!

Another Taste of success!

Many parents and especially children enjoyed sampling some foods at our recent tasting session during parents' evening on Tuesday 22nd October 2019.

Our very own Cook, Lisa, created more various delights representing a small selection of quality foods from our school meals menu. Foods included Chicken Carbonara, Bacon and Leek Pasta and Shortbread to tantalise our taste buds.

We asked parents to rate the food based on taste and quality and the main results are as follows:

Food	Taste	Quality
Chicken Carbonara	All parents rated exceptional for taste.	All parents also rated exceptional for quality too.
Bacon and Leek Pasta	Parents mainly rated 10 which is equal to an exceptional rating.	Parents thought the food was very high quality.
Shortbread	Parents thought it was extremely tasty.	Parents thought the quality of the Shortbread, again was exceptional.

The results indicate that parents were impressed with the taste and quality of the sample foods we provided.

If you would like to find out more about our school meals, request a menu, obtain details on how to confidentially claim free school meals (even if your child is in Foundation Stage, Year 1 or Year 2 and eligible for Universal Free School Meals) or if your child is interested in staying hot dinners, please contact the school office on 01482 653388 or email: admin@carrlaneprimary.net.

Over thirty parents came to enjoy lunch with their children in our dining hall and see how our lunchtimes work. We received some fantastic comments, including:

Fantastic experience, we both really enjoyed it and the meal was lovely.

Very enjoyable lunch, all staff really friendly.

I like that you have a salad bar and a healthy choice for pudding, thanks so much!

Variety of choice, the chance to experience this was amazing.

Brilliant, absolutely loved it, want to come back again!

Food tasty, slick organisation, kids appear happy, impressed by enthusiastic older children helping, staff friendly.

Great how the children are so independent and well behaved for being so young. Great choice of food and process to get served/cleared etc.

Food was very tasty and I thought there was a very good choice, thank you.

School Produced Videos

For those of you new to the school, school shows are recorded and shared with you via an online link.

With new recording equipment and high quality encoding to cloud based storage, the quality of the recordings is a vast improvement over the previous DVDs that we used to issue.

Our videos are saved to the Vimeo video sharing platform. We have bought enough cloud based storage to store all our videos going forward. So, you can either download the videos to your own devices (about 10GB for a 1 hour show) or simply watch them online, safe in the knowledge that they will be there whenever you want to watch them.

Having bought the cloud space, the videos can be watched without any adverts.

If you like our videos, please click the 'like' button next to it!

You can watch the videos at any time by on **Vimeo**. Go to <https://vimeo.com/> and search for WCLPS, or go direct to: <https://vimeo.com/manage/showcases/5676289>

With new Smart TVs, you can load the Vimeo App straight onto our TV and then stream directly to your TV!

We are really looking forward to our trip to the Pantomime next Tuesday. With 407 children, 47 adults and 9 coaches, it is, as always, planned like a military operation. Thank you to Debbie and the admin team for their meticulous organisation and planning. We expect to return between 5.00 and 5.30pm. We cannot be more precise at this moment because it very much depends on the time it takes to leave the theatre and what the traffic is like on the way back. However, we will be sending out texts to let you know when the coaches are on their way and when they are near. Looking forward to the show! Oh yes we are!!
