## Themed lunch - a Force to be Reckoned with!

In a school dinner hall, not so far, far away...and back by popular demand, we saw the return of our Star Wars themed lunch day. On Thursday 16th January, the heroic forces of our pupils came face to face with influence of Head Cook Lisa, and her helpers from another galaxy. Unrest and much hilarity gripped the dining hall. Thankfully the forces of good won the day and Darth Vader has disappeared... for the time being!

World Book Day—  
5th March 2020

**“Together for a Better Internet”**

Safer Internet Day (SID) 2020 will be celebrated globally on Tuesday 11th February 2020 with the theme: Together for a better internet.

Safer Internet Day aims to inspire a national conversation about using technology responsibly, respectfully, critically and creatively. Coordinated in the UK by the UK Safer Internet Centre the celebration sees hundreds of organisations get involved to help promote the safe, responsible and positive use of digital technology for children and young people.

It calls upon young people, parents, carers, teachers, social workers, law enforcement, companies, policymakers, and wider, to join together in helping to create a better internet.

In 2019, SID reached 46% of young people aged 8-17 and 26% of parents. They invite everyone to join them, across the globe, to help create a better internet on Tuesday 11th February 2020 and throughout the whole year. Safer Internet Day is designed to empower young people to take control of their digital lives.

As a school we will be taking part in various Safer Internet Activities throughout the week, tailored to the children’s age.

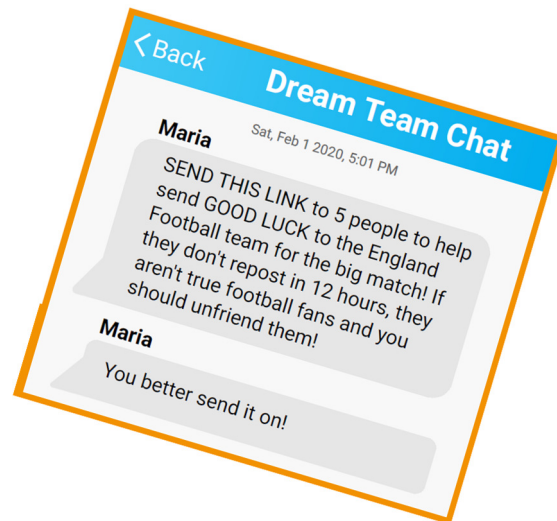

The UK Safer Internet Centre is a partnership of three leading charities – Childnet International, Internet Watch Foundation (IWF) and the South West Grid for Learning (SWGfL) - with a shared mission to make the internet a better place for children and young people. Globally, Safer Internet Day is celebrated in over a hundred countries, coordinated by the joint Insafe/INHOPE network, with the support of the European Commission, and national Safer Internet Centres across Europe.

This year in the UK, Safer Internet Day will focus on online identity and asking young people to consider whether they and their peers are truly free to be themselves online.

We know that the internet is an amazing tool to do all sorts of things from communicating with friends to sharing photos and images to booking holidays to playing games to watching tv on demand to shopping and so much more. We also know that it can and does present challenges and dangers to children and adults: from cyber bullying to slander, to inappropriate content, to inappropriate sharing, to online grooming and much else besides. The challenges of teaching our children to keep safe online is only getting more difficult as the world

enters the age of the Internet of Things (IoT) and the Internet of Everything (IoE).

We have a responsibility as educators and parents to help teach our children how to keep safe. In just the same way as we

think it natural to teach children to swim or cross roads, we need to teach children how to keep safe on-line. One day they may find themselves in a dangerous place (by a stream or in an unsupervised chat-room) and they will need to know how to behave safely.

If you are looking for advice on helping to keep your children safe online, please see the [eSafety information pages](#) on our website and start the conversation with your child today. You can find out more at [www.saferinternetday.org.uk](http://www.saferinternetday.org.uk).

Save the date: Safer Internet Day is on the 11th February 2020!

## Parents' Evening Weeks

In line with feedback received from our surveys, we are again running the Spring Term Parents' Evenings a little later this year for all year groups except Year 6 and EYFS.

Year 6 and EYFS meetings will be held just before half-term. For Year 6 this allows sufficient time before the SATS for home & school to act on any issues arising. For EYFS, this allows timely discussion of children's progression with phonics.

### Meeting Dates

- **Year 6 & EYFS:** meetings will be on 11,12,13 February
- **All other year groups:** meetings (Year 1 to Year 5) will be the week beginning 30th March.

Appointments will be available via the online Parents' query system - booking information will follow soon.

## SATS Information Evening

**26 February, 6pm to 7pm**

Find out the format of the tests your child will be taking in May and look at some examples of the types of questions they will be expected to answer. There will be tea and coffee and a chance to buy some special revision guides as well.

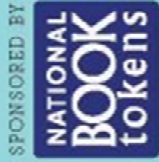

Year 4 getting are getting very enthusiastic about their project on the USA.

*("...no, sorry Mrs Brothwell, but we won't be organising a school trip to Disneyland!!!")*

Here they all are!

Rob Biddulph

Celebrate stories. Love reading.

World Book Day is a charity funded by publishers and booksellers in the UK & Ireland.

#WorldBookDay

#ShareAStory

# **CARS AND KIDS DON'T MIX**

**Please park away  
from our school**

**SCHOOL — KEEP — CLEAR**  
**THANK YOU**

**ZIGZAG markings are there to keep the space outside of our school free from parked vehicles so that we can be seen more easily when crossing the road.**

**PLEASE DON'T PUT US IN DANGER!!**

# FIRST AID FOR ASTHMA ATTACKS

Our Teaching Assistants, Admin and Lunchtime Staff have recently updated their Asthma Training with David Bolton, one of the Asthma Nurses at Hull Royal Infirmary.

Asthma inhalers and spacers are kept in the 1<sup>st</sup> aid box in your child's classroom, these are

easily accessible for staff to retrieve and help your child administer if they should need it.

We also have an emergency blue inhaler in the office, if your child suffers with Asthma, or has a blue inhaler, please tick that they can use the Emergency School inhaler; it can only be used in emergency if we have written parental consent. This is only for use in an emergency as all children should have their own inhalers.

If medical information changes, please contact the office as soon as possible.

## Would you like to work for us?

### Casual Lunchtime Supervisor

If you have some spare time, we are looking for casual Lunchtime Supervisors, between 11:50 and 13:26, any day Monday to Friday, term time only.

For details of either position, please email the school for an application form: [admin@carrlanepimary.net](mailto:admin@carrlanepimary.net).

Please note that Willerby Carr Lane Primary School is committed to safeguarding and promoting the welfare of children and expects all employees and volunteers to share this commitment. The suitability of all prospective employees or volunteers will be assessed during the recruitment process in line with this commitment.
