All-weather games area on year 5/6 playground (final allocation from September 2018 (agreed with Governors pre-September 2018) - area available for lunchtime and after school clubs and outdoor lessons (not weather dependent) and will encourage children to take up different sports, providing a safer area for ball games during playtimes.	Lunchtime Supervisors are receiving guidance/training to provide appropriate supervision to enable safe play and encourage children activity and involvement. After school clubs can also use the area and young leaders/lunchtime supervisors can be trained to run competitions with other children.	£5,876	This area is now used every lunchtime for teacher led clubs – netball/football/keep fit/multi-skills etc. This has meant a larger number of children can be involved in our lunchtime clubs. It is then used during all other playtimes, on a rota basis by different year groups. The space has also meant we can continue more PE lessons outdoors even when the field is less accessible due to the weather conditions. It is also used by our after school clubs.	Continue to develop lunchtime and after school provision/consider different sports etc.
Purchasing specific equipment such as playballs, flat markers and size 4 footballs for use during lessons and clubs to support children involvement.	More equipment for use in both halls so lessons are more effective, particularly skills based for KS1 + smaller footballs for skills work in clubs.	£106.00	Better equipped lessons/clubs.	Full stock review over summer planned to see what investments we need to make for next year.

Will need to do at least 8 laps of the school field every session 3 times per week. Children awarded with medals.</p>	<p>£100</p>	<p>Children identified as less active have completed some of the challenges. Year 2 classes improved their class identity as running as part of a team and encouraging each other to complete laps.
