All-weather games area available for lunchtime and after school clubs and outdoor lessons (not weather dependent) and will encourage children to take up different sports, providing a safer area for ball games during playtimes.	Lunchtime Supervisors are receiving guidance/training to provide appropriate supervision to enable safe play and encourage children activity and involvement. After school clubs can also use the area and young leaders/lunchtime supervisors can be trained to run competitions with other children.	N/A	This area is usually used every lunchtime for teacher led clubs – netball/football/keep fit/multi-skills etc. This has meant a larger number of children can be involved in our lunchtime clubs. It is then used during all other playtimes, on a rota basis by different year groups. The space has also meant we can continue more PE lessons outdoors even when the field is less accessible due to the weather conditions. It is also used by our afterschool clubs.	Continue to develop lunchtime and after school provision/consider different sports etc subject to Coronavirus.
