The Joy of Early Years Foundation Stage

Spending time in our new, spacious and inviting EYFS setting is an absolute joy — the children are always found engrossed in choosing their learning, exploring, experimenting, collaborating and creating. Staff work hard to incorporate the children's passions and interests in their teaching and to provoke their learning — encouraging **playing and exploring**: children investigate and experience things, and 'have a go'; **active learning**: children concentrate and keep on trying if they find things difficult, and enjoy achievements; **creating and thinking critically**: children have and develop their own ideas, make links between ideas, and develop strategies for doing things.

The Early Years Foundation Stage is such an important year for children— the wealth of existing evidence is clear that high-quality effective early years provision has a significant impact on children's social, emotional and cognitive development and is a key factor in improving outcomes for children and families. It narrows the gap between the highest and lowest performers and gives all children the positive start to play and learning that they need. Take a walk through our EYFS setting on any morning or afternoon and you would see that in action...

All Systems Go !

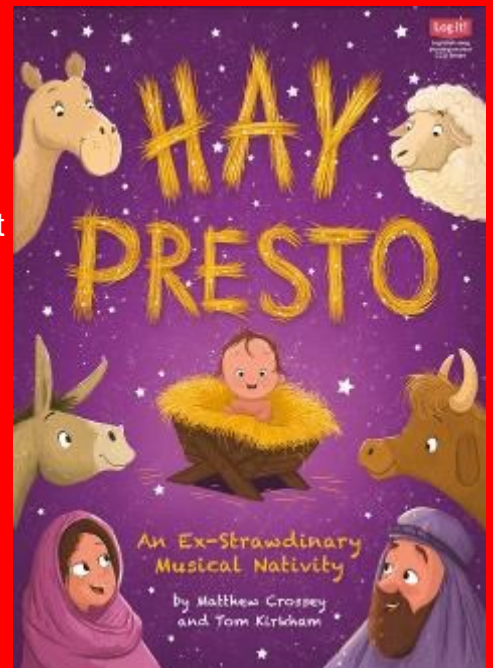

This year has seen the school return to its fully functioning operation. That is not to say we still do not face challenges from covid: we still have staff who become infected and are then required to isolate for at least 5 days. We also have children who can become unwell and then need help to catch-up. For these reasons, we still operate an intense cleaning operation. We also have a wide range of before school, during school and after school additional targeted, recovery intervention classes running.

However, the good news is that all normal aspects of school have returned and we look forward to an Autumn term with Halloween events, remembrance day, and, of course, Christmas parties, Christmas dinners, carols and nativities from our EYFS and our Year 4 classes.

Year 4 will be Proudly Presenting, "Hay Presto"

The residents of Bethlehem are worried: a census has been called and they are about to be inundated with people and animals. Where will everyone stay? Will they run out of food and water? And most importantly, will there be enough hay?

The animals in a nearby stable are worked up enough to stock-pile their hay in a corner, even standing guard to ensure it doesn't get taken. But when a young couple arrive along with a weary donkey, they begin to have a change of heart. And when a baby is born and visitors flock to see him, the animals realise that sharing with those in need brings the greatest joy of all.

EYFS will be Proudly Presenting, "Everyone Loves a Baby!"

Everyone loves a baby. Well nearly everyone. The normally cheerful children of a Bethlehem innkeeper aren't so sure about babies – their newly-born brother is very noisy and a bit smelly. Heading off to see their friend, the children discover news of a special and unusual baby about to be born... baby Jesus. Will they end up liking babies after all?

Dear children, staff and parents

We would like to thank you very much for your kind harvest festival donations and your continued support.

Remembrance 2022

We shall be holding our Remembrance Assemblies for Infants and Juniors on Friday November 11th at 10.40am. The Junior assembly will be written and presented by our House Captains.

As in previous years we are honoured to welcome special guests from our Governing Body, the Parish Council as well as from The Royal British Legion.

Message from Albert—taking older brother duties very seriously!

Hi everyone,

I hope you all had a great half-term. I was busy looking after my 2 legged sister. She's very well behaved but I like to be on close supervision just in case she needs anything. She seems to do a lot of sleeping for a 'hooman bean' but I'm always ready for when she wakes up.

I like the autumn and going on long country walks, but I really don't like bonfire night... the firework noises are really scary. If you have any 4 legged friends, then make sure to keep them indoors and give them lots of cuddles if it gets noisy.

Have a great half-term and I'll see you round school.

Love

Albert xx

Car Parking Hazards – costly to children—costly to drivers

We respectfully request that you please park away from the school.

And please **DO NOT** drive down the cul-de-sac part of Bellfield Drive.

It's far too narrow and congested and so endangers children.

If a child or adult gets injured while you are maneuvering in this dangerous area, then you will almost certainly be liable for a financial claim against you, even if you consider it to be the pedestrian's fault!

It might get you 30 seconds closer to school but Remember, zig-zag lines mean 'No Parking, No Stopping & No Dropping'

Your children will not suffer by walking a few extra yards to your car.
