

Willerby Carr Lane Primary School SEND Newsletter Autumn

2022—2023 SEND Changes

This term Mrs Bolton-Ali has begun acting as the SENDCo whilst Mrs Turnbull is on maternity leave.

If you wish to contact Mrs Bolton-Ali, see ways in which to do so below.

Interventions

This term, lots of interventions have been taking place. These interventions have been carefully planned to focus on basic skills. These include handwriting, mastery number skills, basic maths skills, sentence building, phonics and grammar and comprehension. Thank you for your overwhelming response in supporting us with these sessions, we feel they will really make a difference.

Support Plans

As we approach the end of term, the SEND team will be reviewing support plans with the teachers. These will be updated and emailed out before the end of term.

The SEND Team

ELSA

What is an ELSA?

ELSAs are Emotional, Literacy Support Assistants. They are specialist teaching assistants with a wealth of experience working with children. ELSAs are trained and regularly supervised by an Educational Psychologist.

An ELSA is a warm and caring person who wants to help your child feel happy in school and to reach their full potential. Their aim is to build your child's emotional development and help them cope with life's challenges.

Mrs Chawner

You will see Mrs Chawner every morning greeting children and parents at the front of school. If you have any concerns about your child, however big or small, she is more than happy to have a quick chat with you. She will be able to offer you her expert advice on the spot or if she feels more time may be needed to support your child she will discuss some ways forward with the SENDCo. Don't forget she is here to support not only your child, but you as parents/carers too! We know you have a tough job on your hands bringing up these little humans and the start of a new school year in particular can be tough.

Speech and Language

Miss Clark works with children who have speech and language needs. She works closely with the Speech and Language team from the East Riding to deliver programs of work as prescribed for individual children.

Miss Clark also delivers Interventions before school, after school and during lunchtimes.

Phonics

Miss Bolin and Mrs Overment help with phonics interventions. They help children who need a bit more practise learning the phonic sounds, particularly children in year 1 and 2.

Local Offer

Please see a copy of the SEND East Riding Local Offer attached.

Ways to get in touch

- * Class teacher / Dojo message
- * Through the SENDCo:
sen@carrlanepimary.net
- * Speaking to Mrs Chawner / SENDCo in a morning (at the front of the school)
