20th October 2023

Willerby Carr Lane Primary School Newsletter

We started off the week with two lovely services at church for Harvest. The children sang beautifully and read poems and readings enthusiastically. Our youngest children in EYFS really enjoyed being part of it and the staff were very proud of the way they behaved. I was also really impressed with the way that they all walked so sensibly to church and back.

Thank you so much for all of your donations which the church will make sure get to those people who need them most.

Thank you also to Rev. Haynes and all those at Willerby Methodist Church who helped give us such an enjoyable Harvest Festival.

The whole school's perseverance and resilience have really shone through throughout this long half term, as has their friendliness. So many of them call me over to say hello and speak to me about what they have enjoyed doing this term.

PE Kit update

After consulting with parents, children, staff and governors, we are going to trial children coming to school in their school PE kit on the days that they have PE. This will start after half term.

Please note, this is just for the days when they have PE lessons. Children will still need to be in school uniform on the days when they are attending clubs during or after school.

Teachers will be messaging on class dojo to let you know which day (s) this will be. If you have any questions then please do not hesitate to ask.

We are looking forward to seeing you in school next week to meet with class teachers. If you have not managed to make an appointment then please contact the teacher via Dojo or the school office.

We hope that you enjoy being in school, talking to the teachers and looking at the children's work.

The Book Fair will also be open in school during these times.

Times tables Parent Workshop

We would like to invite parents to a fun times tables workshop on **Friday 24th November at 10:30am – 11:15am**. Come along and learn how we use the counting stick to systematically teach times table facts, making use of connections between numbers for a deeper understanding. The strategies we use are straightforward and can be replicated at home for extra practice.

Parents of all year groups are welcome.

This year we will be supporting Children in Need on **Friday 17th November**. The School Council are busy planning activities and we will be sending out more information nearer the time. Children are welcome to come to school in PJs, any of the sponsored T-shirts or outfits or anything comfortable in exchange for a donation to the charity.

The School Council have also met with the PFA this week to start talking about other ideas that they have for the coming year.

Children are really enjoying attending the Warhammer club after school and we think their results look impressive!

Poppies will be on sale from Monday 23rd October. Y6 sellers will visit classrooms each morning so please send children with spare change if you'd like them to buy one. Donations will go to the British Legion.

Children are looking forward to the Halloween Disco on **Wednesday** in school next week. Thank you to the PFA for organising this.

Thank you to you all for your continued support this term—we really appreciate it!

Dates for your diary:

EYFS Parents in for lunch	23/11/23, 30/1/24	
EYFS Nativity	14/12/23	9.30am
EYFS Nativity	15/12/23	2.15pm
