Summer time sunshine!

I think for the first time since I started here, the weather stayed dry for both of our Sports Day events this week. We trialled a new system of splitting them into smaller events so that there was less waiting around for the children and more time on each activity in the morning. The feedback from the children has been really positive, and we hope you enjoyed seeing it this way too.

We have also had a busy few weeks with trips. The year 6 residential took place last week. Whilst we were not so lucky with the weather, the children thoroughly enjoyed it. We were really proud of them for trying new activities, braving staying away from home and supporting each other to have a great time. A huge thank you to the staff who stayed with them and made sure that they were safe, cared for and had fun.
Year 3 have also been to MKM Stadium with the Run With It charity. The children loved going on the public bus and seeing the areas that they don't normally get to go in. Once again, thank you to the staff for organising the trip and supporting the children to go on it.

We still have some trips to look forward to with EYFS and the Den trips to the farm and a year 2 geography trip. Year 4 also have some geography field work lined up and a trip to Wolfreton to do some DT and drama.

Next week we have our Summer Fair to look forward to. The forecast looks good at the moment. The PFA have been working really hard on this event, and we are all looking forward to seeing you there.

We will be sending out new classes to parents and telling children on Friday 3rd July ahead of our Moving Up day on Wednesday 8th July. As last year, children will spend the full day with their new teacher and teaching assistants.

Have a lovely weekend.

Mrs L Widdowson
- Headteacher

Important Dates

26 June2026
Summer Fair

1 July 2026
Year 2 performance

2 July 2026
Rock Steady Music Concert
