# Newsletter
# 28th September2026

It has been a busy and exciting couple of weeks in school, with our pupils embracing new experiences and making the most of their learning opportunities.

Our Year 5 pupils have been developing their cycling skills and road safety awareness through Bikeability training, building confidence and important skills for staying safe on the roads.

Meanwhile, our EYFS children have settled into school life beautifully. They have been enjoying exploring our learning landscape, discovering new spaces and beginning to build friendships as they embark on their school journey.

It has been wonderful to see our pupils learning, growing and enjoying all that school has to offer. We look forward to sharing more of their achievements and experiences in this newsletter!

## Diary Dates

Wednesday 30th September (9.30am) – EYFS Look around for 2027

Thursday 1st October (5.00pm-7.00pm – Wolfreton open Evening

Thursday 8th October (10.30am) - EYFS Look Round 2027

Friday 23rd October – Feel Food Friday for Dove House Hospice

Thursday 8th October @ 10.30am – EYFS Look Round 2027

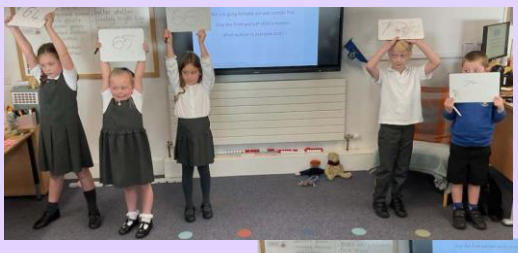

## Year 1

In art, Robins class have been working hard to sketch sunflowers ready to create a final sunflower drawing. They are learning about using varied lines, marks and patterns!

## Year 2

The children have been creating human number lines this week! It has really helped us with understanding this tricky new concept.

## Year 3

It has been great to welcome a student teacher, Mrs. Chester, into our class this week. Very fortunately for us, Mrs. Chester used to be an archaeologist who was very keen to share with us a collection of Stone Age tools! The children were thrilled to be handling items from 10,000 years ago, it really brought our learning to life. Thank you Mrs. Chester!

## Year 4

We have had a busy couple of weeks in Year 4! In Science, we have been learning all about teeth and their different functions. We carried out an exciting experiment to investigate the effects different drinks can have on our teeth.
In DT, we have started our biscuit project. The children have been exploring different types of biscuits and thinking about what makes a successful biscuit, ready to develop and make their own. The children all got to try a range of biscuits, deciding which they liked the taste and appearance of. We have also been working hard across the curriculum, including developing our place value skills in Maths, exploring Journey to Jo'burg in Reading and learning about the Romans in History. It has been a fantastic and busy start to Year 4!

## School Council

Our School Council is comprised of pupil representatives (reps) from each of the Key Stage 1 and Key Stage 2 classes across the school. All of the reps have been elected by their peers. The School Council meets monthly to discuss a wide range of topics and issues. This month they have been discussing ideas for Children in Need and for themed school lunches. The School Council reps also hold monthly Class Councils where they feedback what has been discussed at the meetings and listen to ideas and suggestions to help ensure all of our pupils have a voice.

## Arbor

Please could we remind parents to update your child's Arbor records regularly. This is to ensue that we have up to date information on medical conditions, change of address, contact numbers and who can collect from school. Thank you.

## Safeguarding

If you have any concerns about a child's welfare or safety, please do not hesitate to contact the safeguarding team. The Designated Safeguarding Lead is Mrs Smith and the Deputy Designated Safeguarding Lead is Mrs Widdowson. You can contact us via the admin email address or, from Monday 28th September, on the direct email address: dsl@carrlaneprimary.net.

## Parent Survey

Please help us improve the school even further by filling out the parent survey that was sent to you earlier in the week. We really value your opinions and feedback. Thank you.

## Football

We are continuing to ensure that football at break and lunchtimes is enjoyable for all. While football is a popular and enjoyable part of school life, it is important that it remains a safe and positive experience for all children. We are committed to ensuring that football is inclusive and accessible to pupils of all abilities, promoting teamwork, respect, and fair play. However, where children are unable to meet these expectations or continue to engage in unsafe or aggressive behaviour, they may be asked to take a break from participating in football. This is to ensure the safety and enjoyment of all pupils and to maintain a respectful environment.

## Goodbye Miss Robinson

We would like to say a huge thank you and goodbye to our fantastic HLTA, Miss Robinson, who is leaving us to pursue a new and exciting adventure I the field of children's mental health. She will be greatly missed at Carr Lane and we wish her all the best.

**has been externally assessed and awarded the national Quality in Careers Standard**

**for its careers education, information, advice and guidance provision**

COMPLETED: 09.07.2026 EXPIRES: 08.07.2028

## We Have Achieved the Career Mark!

We are delighted to share that our school has achieved the **Career Mark for Primary Schools**! This is a fantastic achievement and recognises the work we are doing to provide our children with meaningful opportunities to learn about the world of work and develop the skills, knowledge and confidence they need for their future.

Mrs Cowley spent the day with our assessor, sharing examples of our careers provision and showcasing the fantastic opportunities we provide for our children. Our assessor was particularly impressed by our children, staff and the range of activities and opportunities we offer, including our Big Me Days. It was wonderful to see the enthusiasm of our children and the commitment of our staff recognised.

A huge thank you to our parents and families who have supported our careers work by volunteering for workshops, helping with homework tasks and contributing to our Excellence Awards. Your time, knowledge and support make such a valuable difference to our children and help us to bring learning to life.

We would love to continue building on these relationships and working with our parents and wider community to provide even more exciting careers experiences for our children in the future.

Thank you for helping us inspire our children to dream big and believe in what they can achieve!
